18TH CENTURY ANTIQUE FRENCH OAK

All oak is from residential properties in France, never from industrial buildings.

Lengths: 7' to 12' long. Widths: 7" to 12" wide.

Unfinished Thickness: Varies - Milled Thickness: 2cm = 3/4"

€22 EUROS per SF "unfinished" • €32 EUROS per SF "milled"

Overage: For the unfinished wood, anticipate 30% overage for milling.

Millwork Timing of Fabrication is determined by the quantity

EVERYTHING YOU NEED TO KNOW ABOUT A FRENCH FLOORING PURCHASE

INFORMATION ABOUT CONTAINER SHIPMENTS

Maximum Weight in each 40' Container: 42,540 lbs (20 pallets)

A full 40' container holds 4,200 SF of 3/4" thickness, 220 SF per pallet

See Pallet Chart on opposite side for # of pallets required for your planned SF.

Note: You can purchase by the pallet instead of a full container,
if you are taking delivery at Brenham, Texas.

INCLUDED IN YOUR SALE

- Delivery of a 40' container from the Maritime Company to the quarry or warehouse. Loading of container is managed by your Shipper, French Customs Broker and Freight Forwarder, Transports Mari
- Delivery of 40' container to FOS Marseilles Port and loading of 40' container on Maritime Company ship
- Customs Brokerage Fees France and US Arrival of Container
- Bond, ISF - Import Security Filing
- US Customs Brokerage Fees and US Duties
- ALL delivery fees, if your address is less than 200 miles from a harbor port, and you are bringing in a full 40' container

NOT INCLUDED IN YOUR SALE

- US Customs Exams - There is no control over Exams or their timing. Probably there will be X-rays to make sure there is no contraband in the container. Officials need to see everything in a container. Exams are at the discretion of US Customs/Border Protection.
- You have five (5) days of free time at the port. Once the container sets on the ground, your free time starts.
- It is your responsibility to check with legal and insurance professionals for appropriate protections and insurance.

PAYMENT TERMS - WIRE TRANSFERS

AT TIME OF ORDER: 50% is due for your stone order and for your container to be reserved. If there are custom cuts - 100% is due at order.

All payments to be sent IN EUROS by wire transfer from your bank to the Shipper, Transports Mari (French Customs Broker/Freight Forwarder).

BEFORE CONTAINER DEPARTS from FOS Marseilles Port: Balance of 50% is due to finalize your balance with the Quarry and with your Shipper (Transports Mari), and to cover the USA entry fees and bonds with your USA Customs Broker (Acts CHB, Inc).

BANK FEES AND TRANSACTION RATES: You are responsible for all bank fees and currency transaction rates *at the time of wire transfers.*

TIMING OF FABRICATION AND DELIVERY

After wire transfer is received, estimate five (5) to seven (7) weeks fabrication. Estimate approx. four (4) weeks shipping time from the FOS Marseilles Port to a US Port. After arrival, US Customs clearance takes an undetermined amount of time. Final delivery to your address, after US Customs clearance.
